Wet Tap Fees

Wet Tap Fees are separate and are due before the tap can be scheduled, normally within three business days from receipt of payment.

A licensed utility contractor must prepare the main line and coordinate with BJWSA who will perform the actual tap to the main. If a pre-construction meeting is required for the project, the pre-con must be held before a quote can be released. Please contact Sharon Gibson (see left) for a quote of these fees.

Line size	Fee

6"	\$400.00
8"	\$500.00
10"	\$600.00
12"	\$700.00
